Commandant Notice 1540

CANCELLED: AUG 12 1998

Subj FY98 CLASS CONVENING SCHEDULE FOR COAST GUARD CLASS "A" AND "C" RESIDENT AND EXPORTABLE TRAINING COURSES

- Ref: (a) Training and Education Manual, COMDTINST M1500.10 (series)
 (b) Cutter Training and Qualifications Manual, COMDTINST M3502.4 (series)
 (c) Enlisted Qualification Codes Manual, COMDTINST M1414.9 (series)

1. PURPOSE. This Notice publishes the FY98 class convening schedule of Coast Guard Class "A" and "C" resident and exportable training courses defined by program/force managers as essential or directly related to mission accomplishment or achievement of program objectives. It is for the use of Coast Guard units in planning for and obtaining the necessary training to meet unit mission requirements or program objectives.
2. ACTION. Area and district commanders, commanders of maintenance and logistics commands, commanding officers of Headquarters units, Assistant Commandants for Directorates, Chief Counsel, and special staff offices at Headquarters shall ensure compliance with the provisions of this directive.
3. DISCUSSION.
 - a. Reference (a) contains procedures for submitting Short-Term Resident Training Request (CG-5223).
 - b. Reference (b) provides operational training standards applicable to major cutters and provides a basic foundation from which the unit commanding officer can determine the unit's specific training requirements. These standards will be updates as required and cognizant program/support

managers will develop similar standards as specific needs are identified.

- c. Reference (c) contains the procedures for assigning qualification codes to individuals and billets which include the formal resident training eligibility requirements for the assignment of qualification codes.
- d. Section A provides convening schedules for Class "A" Resident Courses.
- e. Section B provides convening schedules for Class "C" Resident and Exportable Courses. Duration of the class is the total number of days the student will be under orders to attend the course, excluding travel.
- f. Section C lists all Class "C" Resident and Exportable Courses that are sponsored by Headquarters program managers. The program manager reviews course curricula and projects yearly quota needs for each course. The quota manager (recipient of the training request) reviews the CG-5223's and decides who will attend a specific class based upon guidelines provided by the program manager. The Training Quota Management Center (TQC) assigns accounting data and issues message orders. TQC Chesapeake will provide additional class convening dates or cancellations by Action Indication Group (AIG) messages.
