

# PORT OF TEXAS CITY

## Texas

*Gulf Coast & Mississippi River*

Port list:

Tonnage

*Port vicinity map illustrates area facilities.*

## Port overview

The Port of Texas City is located at the southwestern end of Galveston Bay, which it shares with the Port of Houston and the Port of Galveston. It is a privately owned port, led by a president and executive director.

The port specializes in handling petroleum liquid bulk cargo, principally crude oil imports, and exports of petroleum distillates and coke.

The port has direct access to two Class I railroads through its terminal railroad.
