

# Work Zone Training Law Enforcement Course

## SAFE AND EFFECTIVE USE OF LAW ENFORCEMENT PERSONNEL IN WORK ZONES

A training course that provides the basic knowledge to save lives, avoid work zone crashes, and improve safety when working in a work zone.

### Did you know?

- ...We have more than 42,000 traffic fatalities every year nationwide
- ...More than 1,200 of those occur in work zones
- ...More police officers are killed by traffic than by bullets
- ...4 times more officers were killed when struck by vehicles than in accidental shootings over the last 10 years
