

TITLE 14-AERONAUTICS AND SPACE

CHAPTER I-FEDERAL AVIATION AGENCY

SUBCHAPTER E-AIRSPACE (NEW)

(Airspace Docket No. 63-WE-118)

PART 71-DESIGNATION OF FEDERAL AIRWAYS,
CONTROLLED AIRSPACE, AND REPORTING POINTS (NEW)

Revocation of Transition Area

The purpose of this amendment to § 71.181 of the Federal Aviation Regulations is to revoke the Sand Creek, Wyo., transition area.

The Federal Aviation Agency has determined that the Sand Creek transition area is no longer required for air traffic control purposes and therefore is no longer justified as an assignment of controlled airspace.

Action is taken herein to revoke the Sand Creek transition area.

Since the change effected by this amendment is less restrictive in nature than the present requirements, and imposes no additional burden on any person, notice and public procedure hereon are unnecessary and it may be made effective immediately.

In consideration of the foregoing, § 71.181 (27 F. R. 220-139, November 10, 1962) is amended by revoking the following transition area:

Sand Creek, Wyo.

This amendment shall become effective upon the date of publication in the Federal Register.

(Sec. 307(a), 72 Stat. 749; 49 U. S. C. 1348).

s/ H. B. Helstrom

Acting Chief, Airspace Utilization Division
