

UNITED STATES OF AMERICA  
CIVIL AERONAUTICS BOARD  
WASHINGTON, D. C.

Civil Air Regulations Amendment 22-7  
Effective: May 21, 1953  
Adopted: April 16, 1953

AIRMAN IDENTIFICATION CARD

At the present time section 22.32 of Part 22 of the Civil Air Regulations provides that the holder of a certificate issued under the provisions of this part shall not exercise the privileges conferred by the certificate unless he has "in his possession" a current airman identification card. In the administration of this provision considerable difficulty has been encountered in enforcing the requirement that the identification card be carried on the person.

Since the present language of this section is believed to be capable of construction to mean other than carried on the person, this amendment is intended to bring this provision into line with the present requirements with regard to the carrying of airman and medical certificates by adding the word "personal" before the word "possession" and thereby clarify that the airman identification card is to be carried on the person.

In addition, several sections of the Civil Air Regulations previously were amended to provide that other identification cards acceptable to the Administrator could be used in lieu of the identification cards issued by the Administrator. The purpose of those amendments was to permit persons possessing identification cards such as those issued by the various branches of the armed forces to use such cards in lieu of the identification cards provided for by the regulations. It now appears desirable that this provision be made applicable to Part 22 by permitting the use of other identification cards acceptable to the Administrator.

Interested persons have been afforded an opportunity to participate in the making of this amendment, and due consideration has been given to all relevant matter presented.

In consideration of the foregoing the Civil Aeronautics Board hereby amends Part 22 of the Civil Air Regulations (14 CFR, Part 22, as amended) effective May 21, 1953:

By amending paragraph (g) of § 22.32 to read as follows:

22.32 Miscellaneous. \* \* \*

(g) Identification. The holder of a certificate issued under the provisions of this part shall not exercise the privileges conferred by the certificate unless he has in his personal possession a current airman

identification card or other identification card acceptable to the Administrator which duly describes him. The airman identification card may be obtained from the Administrator who shall prescribe its form and the manner of applying for it.
