Civil Air Regulations Amendment 24-1

Effective: ~~May 21, 1953~~

Adopted: April 16, 1953

AIRMAN IDENTIFICATION CARD

At the present time sections 24.10 and 24.104 of Part 24 of the Civil Air Regulations provide that the holder of a certificate issued under the provisions of the respective subparts shall not exercise the privileges conferred by the certificate unless he has "in his possession" a current airman identification card. In view of the nature of the employment in which the holders of such certificates are frequently engaged it is considered impracticable to require that such identification cards be carried on the person. Since the purpose of providing that such persons have prescribed identification cards may be accomplished if such cards are readily available upon demand, this amendment is intended to permit persons certificated under this part to keep their identification cards within the immediate area where the person normally exercises the privileges conferred upon him by his certificate.

Interested persons have been afforded an opportunity to participate in the making of this amendment, and due consideration has been given to all relevant matter presented.

In consideration of the foregoing the Civil Aeronautics Board hereby amends Part 24 of the Civil Air Regulations (14 CFR, Part 24) effective May 21, 1953:

1. By amending § 24.10 to read as follows:

24.10 Identification. The holder of a certificate issued under the provisions of this subpart shall not, except while engaged in operations conducted by a scheduled air carrier, exercise the privileges conferred by the certificate unless he has readily available a current airman identification card or other identification card acceptable to the Administrator which duly describes him. The airman identification card may be obtained from the Administrator who shall prescribe its form and the manner of applying for it.

2. By amending § 24.104 to read as follows:

24.104 Identification. The holder of a certificate issued under the provisions of this subpart shall not, except while engaged in operations conducted by a scheduled air carrier, exercise the privileges conferred by the certificate unless he has readily available a current airman identification card or other identification card acceptable to the Administrator

which duly describes him. The airman identification card may be obtained from the Administrator who shall prescribe its form and the manner of applying for it.
