Acting pursuant to the authority vested in it by the Civil Aeronautics Act of 1938, as amended, particularly sections 205(a), 601(a) and 602 of said Act, and finding that its action is desirable in the public interest and is necessary to carry out the provisions of, and to exercise and perform its powers and duties under, said Act, the Civil Aeronautics Board amends the Civil Air Regulations as follows:

Effective August 5, 1941, Part 20 of the Civil Air Regulations is amended by adding a new section 20.7 to read as follows:

20.70 Duration. Notwithstanding any other provision of this Part, a pilot certificate, the holder of which is absent from the United States for the 45 days immediately preceding the termination of the endorsement period designated on the certificate, may be continued in effect thereafter without an endorsement by an inspector of the Administrator upon conformance with the provisions of this section, except that such certificate shall, in all cases, immediately expire upon the return of the holder to the United States.

20.700 Such certificate shall continue in effect for a period of 12 months from the termination of the endorsement period if the holder thereof, within the 45-day period preceding such termination, shall mail, or there shall have been received by the Administrator:

(1) A statement of the holder certifying that he has logged 15 hours of solo flight time within the 12 months preceding the termination of the endorsement period in aircraft of the type which he was rated to pilot; and

(2) A statement by a person, who is authorized by the government of the country wherein the holder is temporarily residing to give pilot physical examinations to nationals of that country, certifying that the holder has satisfactorily passed the physical examination prescribed by that country for pilots of equivalent grade within the 90 days preceding the termination of the endorsement period.

20.701 A pilot certificate continued in effect in accordance with § 20.700 may be continued in effect for additional periods of 12 months each, if the holder thereof, within 45 days preceding the termination of each period, shall mail, or there shall have been received by the Administrator, the statements prescribed in § 20.700.

20.71 Special issuance. Expired certificates of absentee pilots.

20.710 Upon return of pilot to the United States. This certificate shall continue in effect for a period of 12 months from the date of issuance and may be continued in effect thereafter for additional 12-month periods if the holder remains continuously absent from the United States and, within the 45 days preceding the termination of each period, shall mail, or there shall have been received by the Administrator, the statements required in this subsection, except that such certificate shall immediately expire upon the return of the holder to the United States."
