40.40 Provision for Issuance: An airline competency certificate will be issued by the Secretary to an applicant after approval of application made and proofs submitted in connection therewith and if, upon inspection and examination, said applicant is found by the Secretary to meet the general requirements prescribed in CAR 40.1 and the appropriate particular minimum requirements prescribed in CAR 40.2 or 40.3 and is, therefore rated as competent to engage in interstate air commerce for the carriage of mail, goods, or passengers, in scheduled operation as specified in the certificate or appended competency letters (provided for in CAR 40.5).
