

CIVIL AERONAUTICS BOARD
WASHINGTON, D. C.

Effective: Jan. 20, 1942
Adopted: Nov. 21, 1941

Civil Air Regulations Amendment 60-28

"60.120 Airway traffic control center. An airway traffic control center is a station operated by the Administrator for the purpose of controlling air traffic on civil airways.

Note-- For a list of airway traffic control centers, see Air Navigation Radio Aids published periodically by the Administrator."

Civil Air Regulations Amendment 60-29

"60.121 Airway traffic control area. An airway traffic control area is an area within the limits of an airway designated by the Administrator and over which an airway traffic control center exercises control of air traffic.

Note-- For a list of airway traffic control areas, see Air Navigation Radio Aids published periodically by the Administrator."

By the Civil Aeronautics Board:

/s/ Darwin Charles Brown

Darwin Charles Brown
