CIVIL AIR REGULATIONS PUBLISHED BY THE CIVIL AERONAUTICS BOARD

Unless otherwise indicated, these regulations are available from the Superintendent of Documents, Government Printing Office, Washington 25, D. C. (shown as GPO). All part numbers not shown are obsolete or unassigned.

Amendments for the regulations purchased from the Government Printing Office must be requested separately from the Publications Section, Civil Aeronautics Board, Washington 25, D. C. When requesting amendments, be sure to state the part numbers for which they are desired.

The Government Printing Office requires that remittance be made in advance of shipment of publications, by check or money order payable to the Superintendent of Documents. Currency is sent at sender's risk. Postage stamps, foreign money, and smooth coins are not acceptable. For shipment to foreign countries an additional amount of about 1/3 of the purchase price is required for postage. Remittance should be made by International Money Order payable to the Superintendent of Documents or Draft on an American bank. A discount of 35 per cent is allowable to book dealers and quantity purchasers of 100 or more publications, on condition that the purchasers will adhere to the public sales price set by the Superintendent of Documents and the publication shall not be over-printed with any advertising matter.

Notice of the issuance of new parts, text of new amendments, and a tabulation of those currently effective, are carried in the monthly Civil Aeronautics Journal which is available from the Government Printing Office at 70¢ (Domestic) and \$1.00 (Foreign) per year.
