No. 235-A Issue Date: 2/25/99 Effective Date: Immediately

AIR CARRIER REPORTING PUNCTUALITY ASSESSMENT

The Office of Airline Information reissues its "Air Carrier Reporting Punctuality Assessment" report. The report was originally issued on January 26, 1999. The report covered the period from July 1, 1998, through December 31, 1998. The original report misstated the days late for several air carriers.

This revised report contains seven tables showing the timeliness factor for each air carrier's recurrent reporting. An average of days late per report is computed for all reports required to be filed during the specific six-month period. The computation considers only the timeliness of filing, and does not relate to the validity of data contained in the submissions. The multiple tables permit comparison among carriers with similar operations.

The data are presented in seven carrier groups as follows:

Table 1 - Majors	Table 5 - Small Certificated
Table 2 - Nationals	Table 6 - Commuters
Table 3 - Large Regionals	Table 7 - Foreign
Table 4 - Medium Regionals	

The air carriers shown in each table are sorted into three possible classifications based on the combined average number of days late. The classifications are: (1) Timely, (2) Needs Improvement and (3) Unacceptable. Air carrier representatives, responsible for reporting compliance, must take appropriate steps to eliminate late reporting if their carrier is classified as either Needs Improvement or Unacceptable. Since the Department's classification process deals with averages, situations may arise where circumstances make it necessary to consider enforcement proceedings for air carriers classified as Needs Improvement, as

well as those in the Unacceptable classification. Carriers should contact Bernie Stankus on (202) 366-4387 for questions relating to this directive and the attached tables, and where warranted, for assistance in improving their overall reporting performance. Questions relating to specific problems encountered in preparing or submitting schedules and reports should be directed to the following personnel:

Vicki Bradford for foreign carriers at (202) 366-4393;

Jeff Gorham for Form 41 financial at (202) 366-4406;

Jennifer Fabrizi for Form 41 traffic at (202) 366-8513; and

Alice Aslam for Form 298-C at (202) 366-4108.

A handwritten signature in black ink, appearing to read 'Timothy E. Carmody', is positioned above the printed name and title.
