

CIVIL AERONAUTICS MANUALS—Volume V

Federal Aviation Agency

Civil Aeronautics Manuals and supplements thereto are issued by the Bureau of Flight Standards, Federal Aviation Agency, for the guidance of the public and are published in the Federal Register and the Code of Federal Regulations.

Supplement No. 8

February 20, 1959

SUBJECT: Revisions to Civil Aeronautics Manual 21 dated October 15, 1956.

This supplement is issued to amend section 21.15-1 (d) of Civil Aeronautics Manual 21 to provide a more flexible method for designating the time limits for the Airline Transport Pilot Rating Examination.

The "Introductory Note" to CAM 21 is amended to include reference to Civil Air Regulations Amendment 21-2 which was included in the CAM under Supplement No. 7 dated October 15, 1958.

Revised material is indicated by black brackets.
