

## CIVIL AERONAUTICS MANUALS—Volume III

U. S. Department of Commerce

Civil Aeronautics Administration

Civil Aeronautics Manuals and supplements thereto are issued by the Office of Flight Operations and Airworthiness, Civil Aeronautics Administration, for the guidance of the public and are published in the Federal Register and the Code of Federal Regulations.

---

Supplement No. 1

July 1, 1957

---

SUBJECT: Revisions to CAM 18 dated February 1957.

This supplement is issued to set forth acceptable methods for installing anticollision lights and systems on aircraft for which an application for a type certificate was made prior to April 1, 1957. Also included are criteria developed to prevent generator and electrical system overloading.

CAR amendment 18-1 effective April 11, 1957, is included in this supplement.

Appropriate reference changes have been made in the titles of sections 18.1-1 through 18.1-6.

New and revised material is indicated by brackets.

*Remove and destroy the following pages:*

v and vi  
xiii through xx  
1 through 10  
75 and 76
