CIVIL AERONAUTICS MANUAL 61

U. S. Department of Commerce

Civil Aeronautics Administration

Civil Aeronautics Manuals and supplements thereto are issued by the Office of Aviation Safety, Civil Aeronautics Administration, for the guidance of the public and are published in the Federal Register and the Code of Federal Regulations.

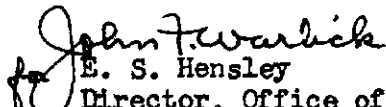

Supplement No. 3

October 28, 1949

SUBJECT: Cross-Index to Part 61

This supplement provides users of Part 61 with a detailed cross-index of the section numbers listed in the June 15, 1948 issue, as amended, and the new numbering system for this part as required by the Regulations of the Administrative Committee of the Federal Register. This index lists the section titles and the corresponding new section numbers and previous section numbers. It is anticipated that at the next reprinting of this part by the CAB the new numbers will be incorporated. For your information, re-numbered Part 61 appeared in Volume 14, Number 136, Part II, Section 1 of the Federal Register on July 16, 1949.

Attached are pages headed CAR 61 - Cross-Index, and dated October 28, 1949. These pages should be retained as the first in a series of similar statements that will be issued explaining or implementing Civil Air Regulation 61.
