

AC NO: 00-44H

DATE: September 30, 1977

ADVISORY CIRCULAR

DEPARTMENT OF TRANSPORTATION FEDERAL AVIATION ADMINISTRATION

SUBJECT: STATUS OF FEDERAL AVIATION REGULATIONS

1. PURPOSE.

This circular sets forth the current publication status of the Federal Aviation Regulations, any Changes issued to date, and provides a price list and ordering instructions.

2. CANCELLATION.

AC 00-44G, dated May 1, 1977, is cancelled.

3. PRINCIPAL CHANGES.

The Special Federal Aviation Regulations (SFARs) which are presently in effect are now being included in their related FAR Parts. The currently effective SFARs are as follows:

SFAR 13	Basis for Approval of Modification of Airplane Types Douglas DC-3 and Lockheed L-18—Part 25
SFAR 21, 21-1	Southern Rhodesia—Aviation Sanctions—Part 91
SFAR 23, 23-1	Airworthiness Standards; Small Airplanes Capable of Carrying More Than 10 Occupants—Parts 23; 135
SFAR 26, 26-1 thru 26-10	Approval of Import Aircraft Engines, Propellers, Materials, Parts, and Appliances—Part 21
SFAR 27, 27-1, 27-2	Compliance With Aircraft Emission Standards Issued by Environmental Protection Agency—Parts 11; 21; 91
SFAR 29, 29-1	Limited IFR Operations of Rotorcraft/FAA Study—Parts 21; 29; 91
SFAR 30, 30-1	Ground Proximity Warning System—Parts 121; 123; 135
SFAR 33, 33-1	Flight Recorders and Cockpit Voice Recorders—Parts 121; 135

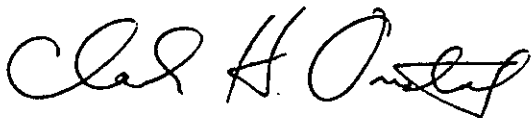

4. HOW TO ORDER

- a. Federal Aviation Regulations are sold by the Superintendent of Documents. Send orders for FARs to the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402. A check or money order payable to the Superintendent of Documents must be included with the order. The prices of all FAR publications are listed in Appendixes 1 and 2.

- b. Only Parts having frequent Changes are sold on subscription. Parts which are changed less frequently are sold on a single-sale basis and Changes to these Parts are sold separately.
- c. To expedite your order, prepare separate lists for subscription items and single-sale items. Include the Part number, title, and catalog or stock number, as appropriate, for each item ordered. Submit each list separately with the correct remittance attached. Include your name and address on each list because subscription and nonsubscription orders are separated for processing when received by the Superintendent of Documents.

5. FAA INTERNAL DISTRIBUTION

Distribution of FARs to FAA personnel is handled through the FAA distribution system based on the survey of requirements made in January 1974. FAA personnel should not order FARs from the Superintendent of Documents.

CLARK H. ONSTAD
Chief Counsel

¹ Add 25% for foreign handling.

² Due to their length, complexity, and frequency of issuance, individual Airworthiness Directives are published separately in the Federal Register. Copies of Airworthiness Directives that have been issued are for sale in summary form by DOT, FAA Aeronautical Center (consigned agent for Superintendent of Documents), P.O. Box 25461, Oklahoma City, Okla. 73125, Attn: AAC-23.

³ Due to their length, complexity, and frequency of issuance, individual airspace designations, airways descriptions, restricted areas, jet route descriptions, and enroute IFR altitudes are not included in the publication of these basic Parts. Such descriptions are published in the Federal Register and depicted on appropriate aeronautical charts. Aeronautical charts can be obtained from the U.S. Department of Commerce, National Oceanic and Atmospheric Administration, Distribution Division (C-44), National Ocean Survey, Riverdale, Maryland 20840.

⁴ Standard instrument approach procedures are published in the Federal Register by reference to FAA documents which are available for examination in the Rules Dockets (AGC-24) and the National Flight Data Center, FAA Headquarters, Washington, D.C., and at the appropriate FAA Regional Offices and Flight Inspection District Offices. These approach procedures can be obtained from the U.S. Department of Commerce, National Oceanic and Atmospheric Administration, Distribution Division (C-44), National Ocean Survey, Riverdale, Maryland 20840.
