## PREFACE

The Air Taxi Operators has been prepared by the Aviation Standards National Field Office, for the use of FAA personnel. Comments regarding this publication should be addressed to the Aviation Standards National Field Office, National Safety Data Branch, AVN-120, P.O. Box 25082, Oklahoma City, Oklahoma 73125.

The Air Taxi Operator list has been arranged in the following order:

1. Commuter Air Carriers appear first in the list and are grouped by states, followed by United States territories and possessions, arranged in alphabetical order. These operators are also listed under Air Taxi Operators.
2. Following the listing of Commuter Air Carriers, all Air Taxi Operators appear alphabetically within each state. The states appear in alphabetical order, followed by United States territories and possessions.
3. Multiple operations under a single certificate number are listed under the respective states and also appear in the back of the publication.

(NOTE: Multiple operations are identified by letter and number symbols. The letters A, B, C, etc., identify the operations for computer application, and the numbers 2, 3, 4, etc., indicate the total number of operations.)

To simplify presentation of data, the codes listed below are used:

### 1. AUTHORIZATIONS

ASEL - Airplane Single Engine Land  
AMEL - Airplane Multiengine Land  
ASES - Airplane Single Engine Sea  
AMES - Airplane Multiengine Sea  
HELI - Helicopter  
VFR - Visual Flight Rules  
IFR - Instrument Flight Rules  
D - Day  
N - Night  
P - Passengers  
C - Cargo

### 2. DATA

C - Commuter  
A - Airmail  
CO - Commercial  
Operator Only  
AP - Auto-Pilot  
AA - Approved Aircraft  
Inspection Prog.  
T - Turbojet

### 3. AREAS OF OPERATIONS

- US - The 48 contiguous states and the District of Columbia
- A - Alaska
- H - Hawaii
- C - Canada
- M - Mexico
- O - Other, such as - within state, Bahama Islands, Jamaica, British West Indies, Virgin Islands, etc.

NOTE: The letters "d/b/a" have been deleted in this printout since it is assumed that the Name, Corporation, or Company below the BUSINESS NAME is, in fact, "doing business as" the BUSINESS NAME.

Each air taxi operator is expected to notify the certificating FAA Office of any change in certification. Field offices then submit FAA Form 8430-12, Certificated Air Taxi Operator, to AVN-120 for updating of this publication.
