**Federal Aviation  
Administration**

# Advisory Circular

**Subject:** LIST OF CERTIFICATED  
PILOT SCHOOLS

**Date:** 7/10/87  
**Initiated by:** AVN-121

**AC No:** 140-2S  
**Change:**

1. **PURPOSE.** This advisory circular provides a listing of pilot schools that were FAA certificated as of June 2, 1987.
2. **CANCELLATION.** This advisory circular cancels AC 140-2R, List of Certificated Pilot Schools, dated October 31, 1983.
3. **DESCRIPTION.**
  - a. **This advisory circular transmits** a listing of pilot schools that are certificated under the provisions of Federal Aviation Regulations, Part 141, Pilot Schools.
  - b. **The pilot schools** contained in appendix 1 are listed in alphabetical order within the State, U.S. possession, or territory in which they are located. Each school listing includes the school's name, mailing address, certificate number, and ratings or courses offered.
  - c. **Space limitation** on the school data input document (FAA Form 8420-9, Certificated Pilot Schools) precludes the inclusion of class ratings; therefore, class ratings are not included in this advisory circular.
4. **EXPLANATION OF CODES.**
  - a. **Certificate Numbers.** FAA district offices assign a standardized certificate number to each approved pilot school within their jurisdiction.
    - (1) The first two positions of the certificate number are either PC, PS, or PE, depending upon the type certificate held.
      - PC - Provisional Pilot School Certificate
      - PS - Pilot School Certificate
      - PE - Examining Authority

(2) The third position is an alpha or numeric regional designator.

1 - Eastern	5 - Alaskan	C - Great Lakes
2 - Southwestern	7 - Southern	E - New England
3 - Central	8 - European	S - Northwest Mountain
4 - Western-Pacific		

(3) The fourth and fifth positions are district office designators, such as 01, 10, 65, etc.

(4) The sixth position is a dash. This separates the region and district office designator from the pilot school designator.

(5) The seventh, eighth, and ninth positions are reserved for the pilot school being certificated and are assigned to the school by the approving district office. Typical numbers are 1, 27, 128, etc.

EXAMPLE: This typical certificate number PS304-7, indicates that the school holds a pilot school certificate, that it is located within the Central Region, that it falls under the jurisdiction of district office 04, and that its assigned number is 7.

b. The codes used to designate ratings and courses offered by certificated pilot schools are listed below.
