ADVISORY CIRCULAR

DEPARTMENT OF TRANSPORTATION FEDERAL AVIATION ADMINISTRATION

SUBJECT: DIRECTORY OF FAA CERTIFICATED AVIATION MAINTENANCE TECHNICIAN
SCHOOLS

1. PURPOSE. This advisory circular provides a revised directory of all FAA certificated aviation maintenance technician schools as of December 31, 1975.
2. CANCELLATION. Advisory Circular No. 147-2N dated November 4, 1974, is cancelled.
3. RATING LEGEND. Ratings of aviation maintenance technician schools are described in detail in FAR, Part 147, and are shown in this listing by the following code letters.

A - Airframe
P - Powerplant
A&P - Airframe and Powerplant

4. INFORMATION. Requests for additional information about specific aviation maintenance technician schools should be directed to the school at the address shown in this listing.

Certification of a school by FAA indicates that it meets the requirements of FAR, Part 147, for the ratings issued and does not necessarily indicate that the school has been approved for educational purposes by other Federal or State agencies. The approval status of a school by agencies other than FAA should be determined by contacting the school or the approving agency.

NOTE: The letters "d/b/a" have been deleted in this printout since it is assumed that the name, corporation, or company below the business name is, in fact, "doing business as" the business name.

2/5/76

5. DIRECTORY CHANGES. Additions, changes, and deletions to the directory are made by the FAA office that serves the area in which each school is located. Errors or omissions should be called to the attention of the FAA office that issued the certificate.
6. DISTRIBUTION. Copies of this publication may be obtained by requesting AC 147-2P from:

ADVISORY CIRCULAR

DEPARTMENT OF TRANSPORTATION FEDERAL AVIATION ADMINISTRATION

SUBJECT: DIRECTORY OF FAA CERTIFICATED AVIATION MAINTENANCE TECHNICIAN
SCHOOLS

1. PURPOSE. This advisory circular provides a revised directory of all FAA certificated aviation maintenance technician schools as of December 31, 1975.
2. CANCELLATION. Advisory Circular No. 147-2N dated November 4, 1974, is cancelled.
3. RATING LEGEND. Ratings of aviation maintenance technician schools are described in detail in FAR, Part 147, and are shown in this listing by the following code letters.

A - Airframe
P - Powerplant
A&P - Airframe and Powerplant
4. INFORMATION. Requests for additional information about specific aviation maintenance technician schools should be directed to the school at the address shown in this listing.

Certification of a school by FAA indicates that it meets the requirements of FAR, Part 147, for the ratings issued and does not necessarily indicate that the school has been approved for educational purposes by other Federal or State agencies. The approval status of a school by agencies other than FAA should be determined by contacting the school or the approving agency.

NOTE: The letters "d/b/a" have been deleted in this printout since it is assumed that the name, corporation, or company below the business name is, in fact, "doing business as" the business name.

2/5/76

5. DIRECTORY CHANGES. Additions, changes, and deletions to the directory are made by the FAA office that serves the area in which each school is located. Errors or omissions should be called to the attention of the FAA office that issued the certificate.
6. DISTRIBUTION. Copies of this publication may be obtained by requesting AC 147-2P from:
