

U.S. Department  
of Transportation  
**Federal Aviation  
Administration**

# Advisory Circular

**Subject:** DIRECTORY OF FAA CERTIFICATED  
AVIATION MAINTENANCE TECHNICIAN  
SCHOOLS

**Date:** 10/3/91 **AC No:** AC 147-2Z  
**Initiated by:** AVN-130 **Change:**

1. **PURPOSE.** This advisory circular transmits a directory of all Federal Aviation Administration (FAA) certificated aviation maintenance technician schools certificated as of August 27, 1991, under the authority of the Federal Aviation Regulations (FAR) Part 147, Aviation Maintenance Technician Schools.

2. **CANCELLATION.** Advisory Circular 147-2Y, Directory of FAA Certificated Aviation Maintenance Schools, dated May 12, 1987, is canceled.

3. **RATING LEGENDS.** FAA certificated aviation maintenance technician school ratings are described in detail in FAR Part 147 and are shown in this listing by the following code letters:

- A — Airframe
- P — Powerplant
- A&P— Airframe and Powerplant

4. **ADDITIONAL INFORMATION.** Certification of a school by the FAA indicates that the school meets the requirements of the FAR for the ratings issued. FAA certification does not necessarily mean college credit will be extended by universities nor does it indicate approval by other state or federal agencies.

5. **DIRECTORY CHANGES.** Additions, changes, and deletions to this directory are made by the FAA Flight Standards office that services the area in which each school is located. Errors or omissions should be brought to the attention of the FAA office that issued the certificate.

6. **COMMENTS AND INQUIRIES.**

a. **Specific comments or inquiries** about a particular pilot school should be directed to that school or to the FAA Flight Standards district office that certificated that school.

b. **Comments regarding this publication** should be directed to:

U.S. Department of Transportation  
Federal Aviation Administration  
Aviation Standards National Field Office  
Operations Support Branch, AVN-130  
P.O. Box 25082  
Oklahoma City, OK 73125

7. **DISTRIBUTION.** Copies of this publication may be obtained from:

U.S. Department of Transportation  
Utilization and Storage Section, M-443.2  
Washington, DC 20590

FAA personnel may obtain copies from their local distribution point.

  
William H. Williams, Jr.  
Director, Aviation Standards  
National Field Office
