ADVISORY CIRCULAR

DEPARTMENT OF TRANSPORTATION FEDERAL AVIATION ADMINISTRATION

SUBJECT: LISTING OF FAA CERTIFICATED PARACHUTE LOFTS

1. SUBJECT. This advisory circular provides a revised listing of all FAA-certificated parachute lofts as of January 31, 1976. Parachute lofts are listed alphabetically by State.
2. CANCELLATION. Advisory Circular 149-2G, dated April 2, 1974, is cancelled.
3. RATING LEGEND. Ratings of parachute lofts are described in detail in FAR 149 and are shown in this listing by the following code letters:
 - A - Packing and general maintenance (not including major repair, inspection, or overhaul).
 - B - Canopy overhaul.
 - C - Harness overhaul.
 - D - Metal parts and container overhaul.
 - E - Drop testing.
4. INFORMATION. Requests for additional information about specific parachute lofts should be directed to the parachute loft at the address shown in this listing.

NOTE: The letters "d/b/a" have been deleted in this printout, since it is assumed that the name, corporation, or company below the business name is, in fact, "doing business as" the business name.

5. LISTING CHANGES. Additions, changes, and deletions to this listing are made by the FAA office that serves the area in which each parachute loft is located. Errors or omissions should be called to the attention of the FAA office that issued the certificate.
