ADVISORY CIRCULAR

DEPARTMENT OF TRANSPORTATION FEDERAL AVIATION ADMINISTRATION

SUBJECT: ANNOUNCEMENT OF AVAILABILITY OF THE INTERNATIONAL CIVIL AVIATION ORGANIZATION (ICAO) COMPUTER DATA BANK MATERIAL

1. PURPOSE. This advisory circular announces the availability of computer data bank material on airports shown in the International Civil Aviation Organization (ICAO) Regional Air Navigation Plans and how it can be obtained.
2. GENERAL. The International Civil Aviation Organization has announced the availability of data on airport characteristics for the airports listed in the five ICAO Regional Air Navigation Plans. The information consists of data in the form of computer printouts, or magnetic tapes, on runways, taxiways, and obstacles. The subjects cover runway and taxiway strengths, composition, lengths, widths, slopes, elevations, temperatures for each airport, and the location of objects in the approach area of the runway. These data cover all airports by countries listed in the plans.
3. HOW TO OBTAIN PUBLICATIONS.
 - a. Additional copies of this advisory circular may be obtained from the Department of Transportation, Publications Section, TAD-443.1, Washington, D.C. 20590.
 - b. Copies of the ICAO Airport Characteristics computer data bank material may be obtained by sending the attached order form to: International Civil Aviation Organization, P. O. Box 400, Succursale: Place de l'Aviation internationale, 1000 Sherbrooke Street West, Montreal, Quebec Canada H3A 2R2.
