ADVISORY CIRCULAR

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Washington, D.C.

Subject: ADDRESS LIST FOR REGIONAL AIRPORTS DIVISIONS AND
AIRPORTS DISTRICT/FIELD OFFICES

1. PURPOSE. This advisory circular transmits the address list for all regional Airports Divisions and Airports District/Field Offices.
2. CANCELLATION. AC 150/5000-3D dated October 18, 1977, is cancelled.
3. BACKGROUND. This publication provides a document that can be used by the public, contractors, sponsors, etc., to locate addresses and telephone numbers of the appropriate regional Airports Divisions and Airports District/Field Offices that have jurisdiction over specific geographical areas. Also, included in this revision are both commercial and Federal Telecommunications System (FTS) telephone numbers. The FTS number is the Government's long distance network and is used by Federal employees for official Government business. All others should use the commercial telephone numbers.
4. UPDATING. We expect to update this address list as changes dictate, but not more often than every three months.

A handwritten signature in black ink, reading 'Robert J. Aaronson', is written over a horizontal line.

ROBERT J. AARONSON

Acting Associate Administrator for Airports
