DATE: 14 DEC 1970

ADVISORY CIRCULAR

DEPARTMENT OF TRANSPORTATION FEDERAL AVIATION ADMINISTRATION

SUBJECT: DIRECTORY OF FAA DESIGNATED MECHANIC EXAMINERS

1. PURPOSE. This advisory circular provides a new directory of all FAA designated mechanic examiners as of the effective date shown above.
2. REFERENCE. Federal Aviation Regulations, Part 183, Representatives of the Administrator, describes the requirements for designating private persons to act as representatives of the Administrator in examining, inspecting, and testing persons and aircraft for the purpose of issuing airman and aircraft certificates. In addition, it states the privileges of those representatives and prescribes rules for their exercising of those procedures. FAR 183 may be obtained by ordering Federal Aviation Regulations, Volume II, from:

Superintendent of Documents
U.S. Government Printing Office
Washington, D.C. 20402

Include remittance by check or money order of \$8.00 made payable to the Superintendent of Documents.

3. INFORMATION.
 - a. A designated mechanic examiner (DME) (airframe and powerplant) may accept applications for, and conduct oral and practical tests necessary for issuing mechanic certificates.
-

4. DIRECTORY CHANGES. Additions, changes, and deletions to this directory are made by the FAA office that services the area in which the designated examiner is located. Errors or omissions should be called to the attention of the FAA office that designated the examiner.

5. DISTRIBUTION. Copies of this publication may be obtained by requesting AC 183- 30 from:
