National Transportation Knowledge Network

The National Transportation Knowledge Network (NTKN) is a voluntary alliance of transportation organizations, which supports a network of transportation information professionals, who collaborate to expand, improve access to, and preserve the domain of transportation knowledge.

- Became NTKN coordinator 2/1, succeeding Bob Sweet
- Updating calendar and LibGuides, scheduling future meetings, monthly meet-and-greets
- Migrated transportation librarians' listserv to new host (Thanks OK Library!)
- New transportation librarians mentoring program matched 2 pairs, who have started meeting, provided useful reference sources in LibGuide
- MnDOT transportation library report collection distributed
- New leaders for Library Advocacy and 508 Accessibility Communities of Practice
