Information

Official Texas Highway Travel Map

The Official Texas Highway Travel Map is published annually by the Texas Highway Department in the interest of the general public. Special efforts have been made in compiling data to show a maximum amount of information in the most legible manner.

All distances are listed to the nearest mile. Highway Department Official County Maps are available at Austin at a nominal cost and should be referred to for fractional mileage and other detailed information. As a rule, mileage between points is measured from a courthouse, post office, or center of the business district, but in some cases, a major traffic circle or junction is used. Red mileage figures are computed along the shortest highway routes between red triangles. The city insets are not intended to serve as detailed city maps but to assist cross-country motorists in traveling through these larger metropolitan areas.

Limited space necessitates omission of certain data including some of the important smaller communities; however, villages located at junctions are listed, and all county seats are shown. Only those Farm and Ranch to Market roads that connect arterial highways and communities are shown. The major streams and principal lakes of Texas are indicated. Elevations are listed for all county seats. The legend should be referred to and used as a key to the various symbols and information reflected on this map.

Texas Highway Travel Information Bureau

Location	Address	Phone
Canutillo	U.S. Highway 80, east	YU 7-8916
Denison	U.S. Highways 75 and 69, north	HO 5-4571
Laredo	U.S. Highways 81 and 83, north	Ex-2371
Orange	U.S. Highway 90, west	TU 3-9416
Texarkana	U.S. Highway 67, west	33-3921
Waskom	U.S. Highway 80, east	4741

WELCOME TO TEXAS . . .

As Governor of Texas it is a genuine pleasure to welcome visitors and invite our citizens to vacation in the Lone Star State. Our 55,000 miles of excellent highways make the state's numerous spectacular attractions, historic sites, and recreational areas easily accessible. Make your travels in Texas pleasant memories by observing highway signs and regulations. Do not mar your trip with an accident.

Price Daniel

Governor

Facts About Texas

Texas, the land of hospitality, encompasses 171,096,960 sprawling acres creating a variety of terrain and recreational facilities. It is also a prosperous land with a diversified economy. The more than nine million people inhabiting the Lone Star State lay claim to many firsts, bests, mosts, and biggests, however, their greatest virtue lies in their genuine friendliness. This trait has become somewhat symbolic of the state and is known the world over.

The colorful and romantic history of Texas reflects the story of a group of pioneers who possessed courage, determination, and vision. Texas has served under six flags and her sovereignty has changed eight times. The most hallowed pages found in the annals of Texas history describe the War of Independence. Recorded indelibly are the heroic and gallant deeds performed by Texans in their effort to overthrow an obdurate government and establish a Republic of Texas.

Recreational opportunities are excellent. Fishing and hunting are most popular. The angler can find more than 200 different species of fish in both fresh and salt waters. Hunting for predatory animals, including mountain lion, coyote, and wolf, is particularly thrilling in the vast undeveloped areas. An abundance of deer, turkey, geese, quail, and other wild game provides excellent hunting in practically all parts of the state during seasons. The Gulf Coast with its superb islands and beaches offers fishing, sports, and plenty of healthful sunshine the year round. Texas has numerous inland lakes with excellent recreational facilities and all are well stocked with fish.

The Big Bend National Park in West Texas encompasses over 707,000 acres of majestic mountains and canyons which are inhabited by all types of animals native to the Southwest. Nature was especially kind to this region in creating scenic wonders. Excellent accommodations are provided in the park and the scenery and restful solitude are unequaled.

There are 49 state parks providing all types of recreation for the entire family.

No mention of attractions in Texas would be complete without including the historic points of interest. Missions, monuments, and other historic milestones are sprinkled throughout this land, rich in both history and legend. The varied terrain affords an assortment of interesting and spectacular scenes, ranging from the majestic mountains in the west to the cypress bayous in the east, from the Rio Grande Valley in the south to the Great Plains in the northern Panhandle.

There are about 5,000 different species of wild flowers, some of which grow exclusively in Texas. The native flora ranges from rugged cacti to delicate orchids, however, the most notable flower is the bluebonnet, official state flower. The timber belt in Texas produces lumber (both pines and hardwoods), paper pulp, and various other forest products.

Texas produces some 150 crops, with King Cotton first, closely followed by a variety of grains and vegetables. Citrus and deciduous fruits, along with all kinds of vegetables, are grown the year round in the Rio Grande Valley.

The cattle industry is one of the oldest and most important industries in Texas. Today about 10 per cent of the total cattle in the United States is raised in Texas. Nearly 4/5 of the farm and ranch land is pasture and range land. In the production of mohair Texas exceeds the rest of the world and is the top wool-producing state in the Union.

Texas leads the nation in the total value of minerals produced, including some 2/5 of the nation's supply of petroleum and 1/4 of the world's supply of sulphur. Many other natural resources, including salt, mercury, gold, silver, copper, and iron are also mined.

An abundance of raw materials and natural resources along with an adequate transportation system, have made Texas the manufacturing and industrial state of the South.

Texas normally enjoys a comfortable climate throughout the year, with temperatures varying from an annual mean of 56 degrees in the Panhandle to 74 degrees in the Lower Rio Grande Valley area. The summers are delightful in the higher altitudes and on the Coast. The winters range from occasional freezing northers and some snow in the northern area to the tropical sunshine enjoyed in the southern extremities all year. Rainfall varies from an annual average of more than 50 inches in the east to less than 10 inches in the west.

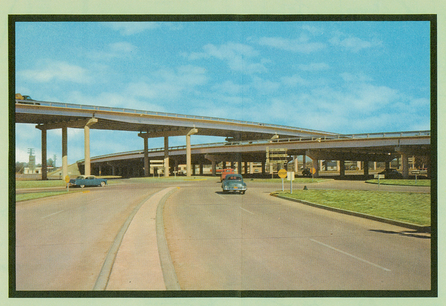
The official designations of the state are as follows:

State Tree:	The Pecan
State Flower	Bluebonnet (Lupinus texensis)
State Bird:	The Mockingbird
State Song:	"Texas, Our Texas"
State Motto	"Friendship"
State Sobriquet	"The Lone Star State"

There are many factors which make Texas a unique and great state. Its size, its wealth, its natural resources, its history and cultural environment all contribute, but its greatest asset is its people—they make Texas the land of hospitality.

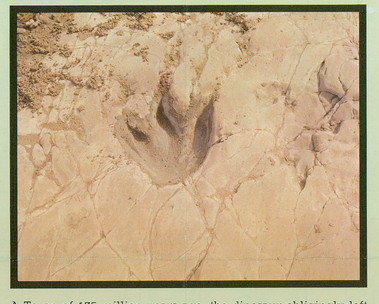
Tremendous

Through an autumn gateway, the rugged grandeur of the Davis Mountains beckons the traveler to leave the pleasant roadside park and journey on to other inspiring vistas on State Highway 118.



This sparkling crystalization of an engineer's dream is the three-level interchange at Waco. Facilities such as this enable the motorist to drive easily over the 55,000 miles of highways in Texas.

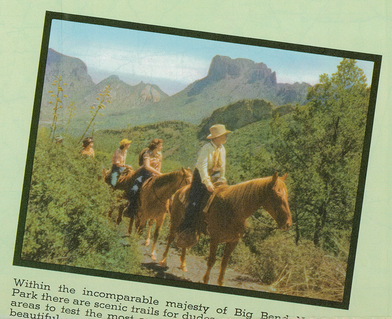
Texas



A Texan of 135 million years ago, the dinosaur obligingly left his giant 26-inch footprint in the stone bed of the Paluxy near Glen Rose for the amazement of the citizens of today.

Mexican food with a Texas flavor . . . just one of the epicurean adventures in tempting cuisine. Western barbeque, southern cooking, seafood, Texas steaks, add up to hours of eating pleasure.

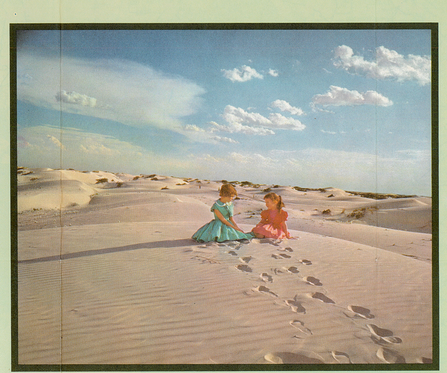
The San Jacinto Monument near Houston, tallest stone monument from grade line in the world, holds aloft the Lone Star of Texas, symbol of the freedom fought for by Texans 120 years ago. This historic spot is one of the hundreds in Texas accessible to the sight-seer and scholar.



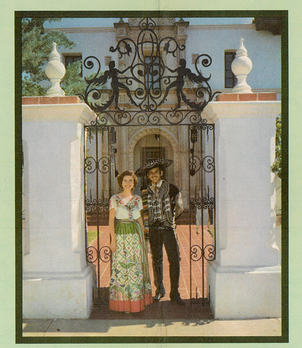
Within the incomparable majesty of Big Bend National Park there are scenic trails for dudes, as well as unexplored areas to test the most seasoned trailrider. Mixed with this beautiful and challenging terrain are many strange phenomena of nature.

"Watering hole" on a Texas ranch . . . typical of the wooded pasturelands that make cattle thrive.

The bluebonnet, state flower of Texas, is spread in a blanket of springtime blue along Texas highways from the Red River to Mexico. A probable import from the Mediterranean area, the bluebonnet has adapted well to Texas residency.



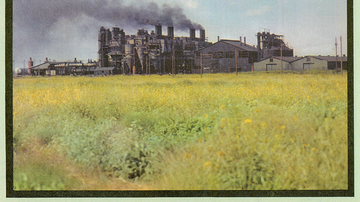
Children and grownups alike enjoy this gigantic sandpile Nature constructed in Monahans Sands State Park. Seeing the dunes painted in the colors of the setting sun is a never-to-be-forgotten sight. Texas has 49 state parks offering a wide variety of recreational interest.



Texas has many gateways into the fascinating old-world charm of Mexico. Six major ports of entry bridge the 889-mile silvery Rio Grande boundary between Texas and her southern neighbor.

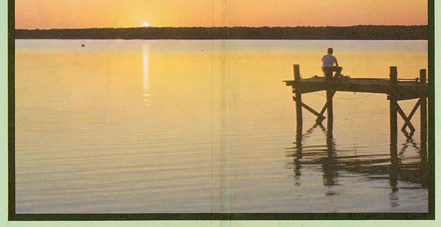
Enjoying the cooling shower of a Central Texas waterfall on the San Marcos River, these lovelies bake to a golden brown under the Texas sun. Picnicking, swimming, and fishing are favorite pastimes under Texas skies.

Exquisite cactus blossoms bring colorful reward to the traveler who takes time out to explore the exotic flora of Texas deserts.

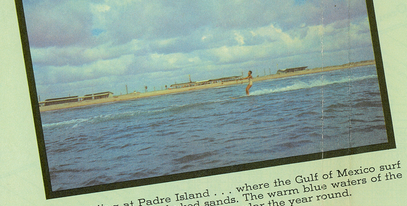


A carbon black plant on the Great Texas Plains flexes a muscle of big industry amid a field of flowers . . . plenty of growing space in the Lone Star State.

Boating . . . sunning . . . fishing . . . the lazy pleasure of an afternoon near the water . . . a few of the delights offered by the myriad lakes and streams in Texas.



Fishing in the quiet waters of Lake Crook in Northeast Texas becomes a technicolor production when sky and water reflect the panorama of a Texas sunset. Lakes in the state number more than 500.



Water skiing at Padre Island . . . where the Gulf of Mexico surf rolls against the sun-baked sands. The warm blue waters of the Gulf are inviting and popular the year round.

The Ship Channel at the southmost tip of Texas. Ships from all over the world use Texas' excellent harbors and inland canals in conducting a brisk export-import business.
