IN THIS SECTION

## Bureau of Public Roads Vehicle

A 1931 Graham-Paige Vehicle once used by the US Bureau of Public Roads (BPR), currently the Federal Highway Administration, is now in the possession of the Western Federal Lands Highway Division (WFL) in Vancouver, Washington.

---

## Restoration, Care, and Research

As the current caretaker of this piece of American history, WFL is dedicated to restoring and protecting this vintage vehicle.

Restoration, care, and research of this vehicle is being accomplished through the volunteer efforts of current and retired employees of WFL. It is the hope of WFL to not only provide information about this vehicle, but also to provide a glimpse into the period in which it was used by the BPR. WFL is currently searching for any additional information on this specific

vehicle or the 44 series. WFL is also trying to gain insight as to how this vehicle was used through photographs and written documents.

Comments, questions, or further information regarding the 1931 Graham-Paige Commercial Car may be directed to FLH Webmaster.
