

CONSUMER SUBMISSIONS

As DOT works to modernize its database to improve the customer experience for the tens of thousands of consumers who use the system each year and enable the Office of Aviation Consumer Protection (OACP) to more effectively engage in oversight of the airline industry, DOT has revised how it processes consumer complaints received after June 1, 2023. DOT has also revised the format of the Air Travel Consumer Report (ATCR) to display consumer submissions (complaints, inquiries, and opinions) as opposed to complaints, for the period from June 2023, until the date its system is modernized.

This section summarizes the aviation consumer submission and civil rights complaint tables, filed with the Department in writing. An explanation of each table appears below:

Table 1. Summary - shows the total number of submissions, and also breaks them down by industry groups (U.S. airlines, Travel Agents, etc.). Figures for the current month are compared to the same month in the previous year.

Table 2. Submissions Regarding U.S. Airlines - shows the number of submissions about individual U.S. airlines, listed alphabetically. Figures for the current month are compared to the same month in the previous year.

Table 3. Submissions Regarding Companies Other Than U.S. Airlines - shows the number of submissions about individual foreign airlines, travel agents, etc.

Table 4. Submissions Regarding Large U.S. Marketing Airlines - shows the number of submissions about largest U.S. marketing airlines (those that account for at least half of one percent of total domestic scheduled-service passenger revenues).

Table 5. Civil Rights Complaints by Air Travelers - This table includes complaints to the U.S. Department of Transportation's Office of Aviation Consumer Protection that allege discrimination in air travel. All complaints alleging discrimination are investigated to determine if there has been a violation(s) of the passenger's civil rights.

Table 6. Civil Rights Complaints by Air Travelers (Other than Disability, by Category) - This table includes complaints to the U.S. Department of Transportation's Office of Aviation Consumer Protection that allege discrimination in air travel based on race, ancestry/ethnicity, national origin, color, religion and sex. All complaints alleging discrimination are investigated to determine if there has been a violation(s) of the passenger's civil rights.
