May 2009 (Q2) TRT Preferred Terms for Discussion PRB

1.
New Preferred Term: Active safety systems
Notation: Dcmvgb
Facet: D: Communication and control
BT: Automated vehicle control for ground vehicles

Discussion:
Agree - Barbara Post
ST: Agree
SP: Agree
AE: Agree

2.
New Preferred Term: Air ambulance services
Notation:Hpef
Facet: H: Safety and security
BT: Emergency medical services

Discussion:
PRB This term comes from the periodical "Air Beat" that we've (Northwestern) begun to contribute to TRIS. There should be little usage in TRIS so far, but many hundreds of records to come.
Usage:
---Alberta's air-ambulance service saves lives when minutes matter most.
---SOS Air Rescue Africa / Morné Booij-Liewes. Subtitle: Morné Booij-Liewes reports on the round-the-clock air ambulance service which is setting new standards.

This function requires login access. You can add a resource in the temporary or permanent site. If you add it to the temporary site, you will need to follow the instructions given in "**7. Moving a Resource from the Temporary Site to the Permanent Site.**" The answer given here is for entries to the permanent site.

- Select **Library and Information Center Directory** from the menu on the left side of your screen.
- Using the **New** button located above the resource names, select **LibraryDirectory** -Create a new Library Directory from the drop down menu. A blank resource form appears.
- Fill in the appropriate information for the resource using the text fields and dropdown boxes. Make sure to enter an **Organization Type**
TIP: The system requires a name for the library or information center you are entering. If the resource does not have a name, use the parent organization name.
TIP: If a dotted red box appears around the date box when you enter a date of **last updated** filed, check your spelling or enter the date in a different format (e.g. January 1, 2009).
- Save your changes using the save button located at the top left corner of the resources form (you will need to scroll down to see it).
- Select **Close**. The system will prompt you if you have forgotten to save your changes.

The screenshot shows the RITA website interface. At the top right, there are links for 'Sign In', 'Manage My Account', and 'Logout'. A red arrow points to 'Sign In', and another red arrow points to 'Manage My Account'. Below these links is a search bar with a 'GO' button. A red circle highlights the search bar area, and a red arrow points to a 'Search' button in a box on the right side of the page.

The main content area is titled 'Transportation Research > National Transportation Library > TRT'. It features a 'Manage Your Account' button. The content is organized into sections: 'Documents', 'Lists', and 'Discussions'. The 'Discussions' section contains several updates to TRT terms, each with a date and time. Below this is a 'TRT Terms Wiki' table listing various terms and their modifiers.

On the right side, there are sections for 'TRT Recent Links' (including 'The Thesaurus: Review, Renaissance and Revision' and 'Instructions for TRB TRT Subcommittee Comment and Discussion') and 'TRT Calendar' (listing events from 5/3/2010 to 8/5/2010).
