

THE SECRETARY OF TRANSPORTATION  
WASHINGTON, D.C. 20590

AUG 22 1986

I am pleased to note the 7 Santini Brothers International Movers' recognition of women in transportation. Your annual "Salute to Women in Transportation" luncheon is an excellent tribute to a small but growing number of women in transportation industries.

In the Department of Transportation, we are committed not only to helping women enter the workforce, but also to preparing more women than ever before to assume managerial responsibilities and to acquire new skills in "non-traditional" -- and often higher paying -- jobs.

American women have made it clear that we share the American dream. We want to work in fields of our own choosing, to own our own businesses, to sit in the nation's boardrooms. In doing so, we will serve a larger purpose as well: we will be able to contribute to the support of our families, to the growth of our communities, and to the security of our nation.

I regret that I am unable to participate in your "Salute to Women in Transportation" today, but please be assured that you have my best wishes.

Honorable Elizabeth H. Dole

Dept. of Transportation  
Office of the Secretary  
400 - 7th Street, S.W.

Dear Mrs. Dole:

We have been in the transportation business for over 82 years. Every year we conduct a special luncheon "Salute to Women in Transportation". This luncheon is attended by women who hold corporate positions for their company in the transportation field.

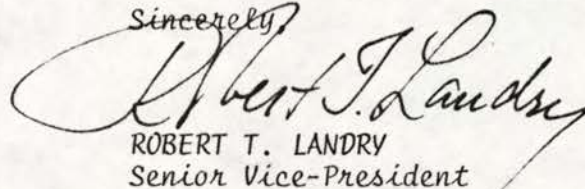

It would be an honor and privilege if you would accept our invitation as our 1986 Guest Speaker.

Our function is held at the Downtown Athletic Club in New York City. This year we have scheduled the luncheon for Tuesday, September 23rd. However, if you were receptive to our request and had dates available in October, we would be pleased to change our time table.

I am confident the Women in Transportation from our major accounts would welcome your appearance.

Thank you for your time and we certainly look forward to a favorable reply.

Sincerely,

  
ROBERT T. LANDRY  
Senior Vice-President

P.S. Please find a copy of our 1985 program for your information.
