Federal Transit Administration Awards Ceremony

Wednesday, March 16th • 1:00 PM
DOT HQ • West Atrium

A message from the Acting Administrator Therese W. McMillan

Working side by side with such a dedicated and talented group of individuals here at the Federal Transit Administration is an honor and a privilege. I am truly grateful for the opportunity to recognize all of my colleagues who undertake their duties with pride and professionalism. If there is one thing I hear from my colleagues throughout the Department about the FTA, it's that, as a team, we consistently deliver exceptional service and products.

In the past year, and in no particular order, you have worked diligently to:

- Upgrade our financial systems in preparation for TrAMS.
- Extend support to the authorization effort leading up to the “FAST” Act—in addition to implementing crucial MAP-21 requirements.
- Usher a record number of projects into our CIG pipeline, and the remarkable speed and dedication required to get the final interim policy out last summer.
- Effectively manage so many major capital projects at the headquarters and regional level.
- Stand up our new safety initiatives —exemplifying our continued commitment to all transit riders and workers.
- Perform exemplary work associated with “Ladders of Opportunity,” the ADA circular, the Rides to Wellness initiative and our DBE assistance programs.

What you do every day contributes to the creation of thousands of good-paying jobs, improving people's way of life, transforming communities and spurring economic growth and development nationwide. At FTA, we deliver on the promise of investing in safe, reliable public transportation to relieve congestion, revitalize neighborhoods and help people enjoy the benefits and convenience of good transit.

Today, I take great pride in this opportunity to recognize the contributions of all FTA employees, as well as the individuals who have gone above and beyond in truly extraordinary and inspiring ways. Because of your efforts, we continue to improve as an organization and are able to provide the quality of service the American people want and deserve.

Thank you and congratulations on a job well done!

A handwritten signature in black ink that reads "Therese W. McMillan".
