A list of 23 additional research reports available for public use has been released by the Department of Transportation's Urban Mass Transportation Administration (UMTA).

This brings the total to 189 reports published under grant support from UMTA's University Research and Training Program. The reports, prepared by faculty members and graduate students, deal with a wide range of subjects, including the social, economic, political, psychological and engineering aspects of urban transportation.

For additional information call the UMTA University Grant Program Division, telephone (202) 426-0080.

Copies of the research reports may be ordered from the National Technical Information Service, Springfield, Virginia 22151. Orders should include the publication "PB" number, title, and a check or money order. Checks should be made payable to the National Technical Information Service.
