DIRECTORY
OF
AIRPORT ADMINISTRATIVE OFFICIALS AND MANAGERS

This directory contains the names of all airport managers and assistant managers throughout the United States, together with the administrative officials of the municipality, county or organization having general supervision over the airport. It was compiled by the Bureau of Air Commerce and has been published for the information of airmen.

This is the first attempt made to present this information in a consolidated form. It will be necessary to revise this list from time to time, and your cooperation in notifying the Bureau of Air Commerce of any additions or corrections will be greatly appreciated.

The month and year shown at the beginning of each line indicates the date this information was received by the Bureau of Air Commerce.
