The U.S. Department of Transportation Broadcast News Service for Wednesday, July 25 has a story by a Department spokeswoman on funds for public transportation in New York City.

"The U.S. Department of Transportation has announced a grant of \$12.1 million to New York for continuing work on the city's Second Avenue Subway.

"This grant, through the Urban Mass Transportation Administration, brings the total Federal two-thirds share to more than \$67 million, in this project.

"The local one-third share will be provided by the State of New York's bond issue for public transportation."

This has been the Transportation News Report.
