The U.S. Department of Transportation's Urban Mass Transportation Administration (UMTA) today announced publication of a compilation of research, development and demonstration projects. The publication, "Improving Urban Mobility", is subtitled "A Directory of Research, Development and Demonstration Projects in Public Transportation." It contains descriptions of current research, development and demonstration projects sponsored and funded by UMTA, and supplements and updates a previous compilation.

Copies of the report may be obtained from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402. The price is \$2.10 per copy. Orders should include check or money order, the title, and the catalog number TD 7.9:973.

The previous volume entitled "A Directory of Research Development and Demonstration Projects" dated June 30, 1972, constituted a historical record of all projects funded under the Urban Mass Transportation Act of 1964 and projects funded earlier under authorization of the Housing Act of 1961. It is available from the U.S. Department of Commerce's National Technical Information Service, 5285 Port Royal Road, Springfield, Virginia 22151. The price is \$6.00 per printed copy. Orders should include check or money order, the title, and order number PB 213 228.
