## URBAN MASS TRANSPORTATION ADMINISTRATION

WASHINGTON, D. C. 20590

RELEASE AT WILL  
MARCH 1973

UMTA 73-20  
Phone: (202) 426-0080

A list of 26 additional research reports available for public use has been released by the Department of Transportation's Urban Mass Transportation Administration (UMTA).

This brings the total to 106 reports published under grant support from UMTA's University Research and Training Program. The reports prepared by faculty members and graduate students deal with a wide range of subjects including the social, economic, political, psychological and engineering aspects of urban transportation.

For additional information on these and previous reports as well as the entire program, contact the UMTA University Grant Programs Division, telephone (202) 426-0080.

Copies of the research reports may be ordered from the National Technical Information Service, 5285 Port Royal Road, Springfield, Virginia 22151. Orders should include the publication "PB" number, title and a check or money order for each report in hard copy. Microfiche copies are also available at a cost of 95¢ per report. Checks should be made payable to the National Technical Information Service or just NTIS.
