TRANSIT BIBLIOGRAPHY AVAILABLE

The availability of a major reference work in the field of transportation was announced today by the Urban Mass Transportation Administration (UMTA) with publication of the Urban Mass Transportation Abstracts Cumulative Bibliography 1974-1980.

The Bibliography, containing more than 7,000 abstracts, and its companion Index of subjects, containing some 3,400 listings, were developed by the Transportation Research Board. The reference work, funded by UMTA, represents a significant addition to the resource of literature on urban transportation.

The listings' were derived from the Urban Mass Transportation Research Information Service (UMTRIS), an automated data system which contains information on transit planning, operations, management and finance.

Researchers in the United States and Canada may obtain additional information on the Bibliography listing and other data in the UMTRIS system by writing or calling DIALOG Information Services, 3460 Hillview Avenue, Palo Alto, California 94304, telephone 800-227-1960. In California call 800-982-5838.

Information about the Bibliography and Index may be obtained from Mr. Fred N. House, UMTRIS, Transportation Research Board, 2101 Constitution Avenue, N.W., Washington, D.C. 20418, telephone 202-334-3255.
