Exciting News for Antrim County Transportation Riders!

We're excited to announce that Manistee County Transportation is now part of the Michigan Department of Transportation's (MDOT) Office of Passenger Transportation Advancing Rural Mobility pilot project. This initiative introduces a new online trip-planning tool designed to enhance the travel experience for Manistee County residents. The tool represents a significant advancement in ensuring accessible, reliable, and efficient transportation for everyone in the county.

The trip planner is designed to help riders by providing personalized route options, easy connections to other transit services, and real-time updates. Whether you're traveling to work, a doctor's appointment, or a community event, this tool is here to make the most of Manistee County Transportation services.

Start [planning your trips today](#) and experience how this innovative tool makes getting around Manistee County more convenient!
