

Thunder Bay Transportation Newsletter

Fast Facts:

- [Thunder Bay Transportation Authority](#) (TBTA) riders can now use a new online trip-planning tool developed by the Michigan Department of Transportation (MDOT) in partnership with various rural transit agencies.
- TBTA is participating in Stage 2 of the pilot program, along with 13 other transportation providers across Michigan.
- The project is funded by a U.S. Department of Transportation [SMART](#) grant, aimed at enhancing rural mobility.

Exciting News for Thunder Bay Riders!

Thunder Bay Transportation Authority is proud to announce its participation in MDOT's Office of Passenger Transportation Advancing Rural Mobility pilot project. This exciting initiative introduces a cutting-edge online trip-planning tool designed to improve the travel experience for residents across the Thunder Bay region.

This tool offers personalized route suggestions, seamless connections to other transit services, and real-time updates, ensuring that TBTA riders can travel with ease and confidence. Whether heading to work, a medical appointment, or a community event, this new technology will help you make the most of your local transit system.

Start [planning your next trip today](#) and discover how this innovative service makes getting around Thunder Bay more convenient.
