

Intercept Interview Script for Pedestrians and Bicyclists

Approach potential survey participants who had arrived or were waiting at the appropriate corners or after they finish crossing the intersection. Ask if they would be willing to participate in a short survey. If they agree to participate, proceed with the questions. A study information sheet will be posted on a sandwich board at each survey location, and copies will be available for participants to take if they wish.

Q1 [Observation only; do not ask participant] Did participant cross at a time when a bus was turning or about to turn at the intersection, i.e. was the bus warning activated?

☐ Yes

☐ No

Q2 How frequently do you cross this intersection?

☐ Multiple times a day
