THE CRUISE..

Someone, disguised as a photographer, took those pictures showing the general hilarity at the Club's Moonlight Cruise July 14. The Cruise was a big howling success - we have this on no less an authority than Jim Strnad, who is our Social Activities VP. He was the fellow in the horseplayer's shirt spreading light and cheer through the upper and lower salons. A few people missed the boat going, and a few coming back. A few of you really missed the boat by not being there. The door prizes went to Charlotte Smock, Mildred Gordon, Jim Holtsclaw, Carl Garney Louise Michael, and Don Tisdale (even the Club Prexy has to win once in a while). Two hundred and fifty - two members and guests attended. Frank Flanagan's frantic four furnished the chamber music.

PINS

The Veep in charge of the FAA Lapel Pins has informed us that he expects the Pins to be available sometime in the neighborhood of August 1. A special announcement will be made when the pins are ready for sale - watch for it! The price will be \$1.50 instead of the \$1.47 originally advertised, but what can you do with three cents anyway? A picture of the pin was published in the May-June issue of the News.

MORE BOWLING

The "FLY-BY's", a duckpin team in the Monday night mixed league at Bailey's Cross-roads, placed third in the final standings for 1960-61. The team, composed of Dave Mathews, AF-363, Bea

Mathews (Dave's wife), John Standon, AF-366, plus a couple from the Corps of Engineers, competed in the Virginia Bowling Proprietors Association handicap Tournament this spring and amassed a 1945 set, including a 710 game, but it wasn't good enough even for 61st place. Wait till next year...!

CLUB CUPID STRIKES AGAIN

Club activities vary so much that all the services offered are difficult to list. An example of an FA extra is the following story. In order to fill several tables with friends for the Spring Dance, a group in the Plan Engineering Branch arranged a blind date for Robert Kinney, an electrical engineer assigned to the Inspection Unit.. The match was acceptable, the evening delightful, the music was soft. So... on July Fourth the couple were married and the Club now has two new members - Bob Kinney and Mrs. Kinney, the former Lois Fischer.

MORE QUESTIONS

The response to the questionnaire we carried in April was low -- in fact.. disgustingly low. Our fault for not getting the message over. We want response from ALL EMPLOYEES, not just Club members. So now we are trying again. Please fill out the questionnaire on the last page -- MEMBERS AND NON-MEMBERS alike, and send it in. It will let us know what you like and give YOU a chance to participate. The Club is self-supporting - that is, its motive power is the interest and enthusiasm YOU show in the activities. It's not a bad motive power, at that, since the Club has pushed along, in spite of difficulties, for twenty-one years. Your two cents may turn out to furnish a lot of gas for the next dance - or picnic, or golf match. So LETS GO - fill out and mail today! Just send it to Jan Potterton, AF-19.
