APRIL'S TEST-PERIOD SHUTTLE BUS SCHEDULE TO REMAIN IN EFFECT

The increased shuttle bus service offered during the month of April on a test basis will be continued so long as costs and ridership indicate it to be beneficial. It's an extremely tight schedule with almost no allowance for unforeseen problems (bus breakdowns, driver absences...) or delays (traffic jams, weather...), but every effort will be exerted to provide the most reliable service possible. The accelerated schedule is repeated in this issue and will continue in effect until further notice.

GSA RETAIL STORE AT TRANS POINT BUILDING

The GSA retail store is scheduled to open today, May 15, in the Trans Point Building. The store is located in Room G-300, which is near the First Street entrance next to the McLachlen National Bank. Hours of operation: 9:30 a.m. to 4:00 p.m. daily. The addition of this service should be of great convenience to the occupants of that building.

BLOODMOBILE VISIT TO DOT HEADQUARTERS
