VANPOOLS NOW FORMING

Nearly 400 DOT employees responded to the vanpool interest survey distributed May 31, 1977. As a result of the survey two vanpools are now forming, using vans already owned by DOT employees.

Vanpool formation meetings have been scheduled to organize vanpools among prospective riders from the following areas: Brookfield/Greenbriar/West Fairfax and Manassas/Centreville.

Commuters from these areas who did not respond to the vanpool survey have another opportunity to learn more about vanpooling by attending the appropriate meeting:

Manassas/Centreville Vanpool Meeting
Tuesday, August 2, 1977
11:30 a.m.
Room 9232 Nassif Building

Brookfield/Greenbriar/West Fairfax
Vanpool Meeting
Wednesday, August 3, 1977
11:30 a.m.
Room 7B FOB-10A

Vans suitable for vanpooling will be on display in the Nassif Building Courtyard, Monday, August 1 from 11:00 a.m. to 1:00 p.m., and in front of FOB-10A, Tuesday, August 2 from 11:00 a.m. to 1:00 p.m.

In a vanpool, up to 15 persons can share the cost of commuting to work. Depending on the location of participants, riders may be picked up at home or meet the vanpool at a prearranged location.

At least six vanpools serving DOT employees were already in operation before the recent survey.

We expect that additional vanpools will be forming from several other areas as soon as prospective drivers have been identified.

If you have any questions or would like additional information about vanpooling, call Steve Baluch, extension 60210.
