NEW METRO FARE COLLECTION SYSTEM

A movie showing how the METRO automated fare collection system will operate will be shown in conference room 2230, Headquarters (Nassif) Building on the following schedule:

Monday	June 20	11:00 a.m. to 1:00 p.m.
Friday	June 24	12:30 p.m. to 1:30 p.m.
Monday	June 27	11:00 a.m. to 1:00 p.m.
Wednesday	June 29	11:00 a.m. to 1:00 p.m.
Friday	July 1	11:00 a.m. to 1:00 p.m.

The film runs about five minutes, and will be shown every ten minutes, or as attendance dictates, during the above periods.

As most people know, a new line which includes the L'Enfant Plaza Station will commence operation in July. Potential METRO riders should find this short film helpful, as the system is quite sophisticated. It includes ticket vending, ticket trade-in, change making, and gate entry procedures. See the film and be prepared!!
