

U.S. Department of Transportation
Federal Highway Administration

LONG-TERM PAVEMENT PERFORMANCE (LTPP) PROGRAM

Knowledge Into Action . . . Performance Data for Pavement Innovation

Presents:

Recap of LTPP Program Lectern Session

Please join the Federal Highway Administration (FHWA) for a recap of the LTPP program lectern session held at the Transportation Research Board 102nd Annual Meeting in January 2023.

The webinar will discuss the strategic direction of the program, the current [LTPP data analysis plan](#),¹ and data management of FHWA's new pavement testing facility. The Florida Department of Transportation will also summarize its accelerated pavement testing program.

The primary audience for this webinar includes LTPP State Coordinators, pavement and research professionals, asset owners, and university professors.

**THURSDAY
April 6, 2023
2–3 p.m. ET**

The webinar will be recorded.
