FOREWORD

This report is one of two related periodic publications of airline statistics which are compiled by the Civil Aeronautics Board, as follows:

Air Carrier Traffic Statistics
(issued monthly)

Air Carrier Financial Statistics
(issued quarterly)

The data herein are classified in two broad operation categories; namely, "domestic" and "international and territorial." In general, "domestic" encompasses operations within the 50 states of the United States and the District of Columbia, and "international and territorial" principally encompasses operations outside the 50 states.

"Domestic" comprises the domestic operations of the trunk and all-cargo carriers; the local service, helicopter, intra-Alaska, and intra-Hawaii carriers; and others. "International and territorial" comprises those operations for both the passenger/cargo and the all-cargo carriers, as described in the preceding paragraph.

The data presented here are of two kinds: (a) basic figures taken directly from carrier reports on CAB Form 41 and (b) derived figures calculated from the basic ones (totals, averages, percentages, etc.). The 12-month basic data shown in Table 1 in this report are the totals of amounts reported by the carriers for each of the four quarters of the year rather than the totals as reported for the 12-months to date. There are occasional differences between the two sets of figures which remain to be resolved with the carriers concerned. Corrections to CAB Form 41, which have been authorized by the carriers, have been incorporated in this report, and obvious errors in reported data have been corrected. Background data given in the Footnotes following each table are obtained from CAB sources. All basic data are shown here rounded to the nearest thousand. The symbol = denotes a reported amount less than 500.

"Earnings Position and Average Investment" data here-to-fore presented in Table 2 have been discontinued to facilitate more timely release of this publication. Similar data for most certificated route carriers are now presented in the Board's "Interim Financial Report" issued quarterly.

It should be noted that the income for any carrier which may be on an open mail rate is subject to future upward or downward adjustment.

Suggestions from users for improving either the scope, presentation, or utility of this report are invited. It will also be appreciated if discrepancies and errors in the data are called to the attention of the Statistical Division of the Bureau of Accounts and Statistics.

The contents of this quarterly report are the responsibility of the staff of the Bureau of Accounts and Statistics, and do not necessarily reflect the official views or opinions of the Civil Aeronautics Board.

TABLE 1. INCOME STATEMENT DATA OF CERTIFICATED ROUTE AIR CARRIERS: QUARTER AND 12 MONTHS ENDED DECEMBER 31, 1972 AND DECEMBER 31, 1971

FOOTNOTES

- a/ Breakdown not available due to waiver granted Group 1 carriers. Consequently all expenses are shown as general and administration.
- b/ For carriers conducting more than one type of operation such as Pan American or American, information on unappropriated retained earnings is reported on CAB Form 41 on a "System" basis. "System" data are shown under "Domestic Operations" where applicable.
- c/ Due to waiver granted Delta, all International/Territorial data are reported as domestic. Prior year data adjusted for purpose of consistency.
- d/ Carriers receiving mutual aid payments as reported on Form 41 are as follows:

	12 Months Ended (millions)	
	12/31/72	12/31/71
Hughes	8	-
Mohawk	-	6
Northwest	43	16
Trans World	-	2
Total	51	24

e/ Carriers on strike:	Period of Full Strike	Partial Operations	Resumption
Carrier			
Mohawk	11/12/70 - 4/13/71	4/14/71 - 5/8/71	5/9/71
Northwest	-	7/8/70 - 1/31/71*	2/1/71
		6/30/72 - to date**	
TWA	10/20/70 - 10/21/70	-	10/22/70
Hughes	12/15/71 - 12/21/71	12/22/71 - 4/29/72	4/30/72

*(CAB records indicate that Northwest had resumed 82% of curtailed operations by 2/1/71.)

** (Strike beginning 6/30/72 severely curtailed operations.)

- f/ Adjustment entered by CAB for purpose of clearing balance.
- g/ The following carriers inaugurated major new International/Territorial operations: Air Micronesia 10/5/71 and Continental (Pacific) 10/5/71 (filed first report 3/31/72).
- h/ National reported as a "Special Item" for the quarter and 12 months ended 9/30/71, a net debit amount of \$2,600(000) representing a provision of retroactive wage settlement.
- i/ New York Helicopter reported as a "Special Item" for the 12 months ended 9/30/71, a credit of \$430(000) representing a Capital Gain.
- j/ Eastern reported as a "Special Item" for the current quarter and 12 months net debit amounts of \$2,526(000) and \$727(000) accredited to domestic and International operations respectively, representing write-offs of advances to Caribbean-Atlantic Airlines.
- k/ Wright Air Lines, Inc. began operations as a certificated route air carrier July 1972.
- m/ Trans Caribbean merged with American Airlines 3/2/71. Data represents operations through 2/28/71.

Source: Basic data reflect carrier reporting on CAB Form 41 except for adjusted mail pay which is based on CAB records. The 12-month basic data shown in this Table are the totals of amounts reported by the carriers for each of the four quarters comprising the year rather than the total as reported for the 12 months to date. There are occasional differences between the two sets of figures which remain to be resolved with the carriers concerned. Only those corrections authorized by the carriers are incorporated herein, except for the proper designation of positive and negative amounts and the correct statement of unappropriated retained earnings, where possible. In compiling recapitulations, however, obvious errors in reported data have been corrected. Minus sign denotes a negative figure; a net debit amount in the case of "Nonoperating" and "Special" items; or an inverse item.

Technical terms are defined in the glossary at the end of this report.

TABLE 4: INCOME STATEMENT DATA OF THE SUPPLEMENTAL AIR CARRIERS BY INDIVIDUAL CARRIER
TWELVE MONTHS ENDED DECEMBER 31, 1972-71

FOOTNOTES

- 1/ 12-month data as reported on Form 41 - otherwise summation of carriers' four quarterly reports.
- 2/ American Flyers merged with Universal 5/27/71; Universal suspended all operations May 3, 1972 due to bankruptcy.
- 3/ As reported by carrier.
- 4/ In accordance with amendment 13 to Part 241 of the Economic Regulations, effective July 1, 1967, all supplemental carriers were transferred from Group I to Group II with the exception of Johnson Flying Service, Purdue Airlines, Inc.; McCulloch International Airlines, (formally Vance International Airways) and Interstate Airmotive which inaugurated service in February, 1969.
- 5/ Breakdown of "General Services and Administration" expenses of Group I supplemental air carriers (identified in footnote 4 above) are not available due to waiver. Therefore, this total is shown under "Total General Services and Administration" caption for these carriers and included in the industry total.
- 6/ Interstate Airmotive suspended all operations December 20, 1972 and submitted their last report March 1971.
- 7/ Adjustment entered by CAB for purpose of clearing balance.
- 8/ Purdue ceased commercial operation May 1, 1971.

Note: (-) indicates either 0 or less than \$500.

accrued Federal income taxes. Accruals for currently payable Federal income taxes.

accrued personnel compensation. Accruals for unpaid compensation to personnel.

adjusted U. S. mail and subsidy revenues. U. S. service mail pay and Federal subsidy adjusted from the period in which reported to the period in which earned, based on the rates, whether temporary or final, in the most recent mail orders of the Civil Aeronautics Board. The Federal subsidy shown in this Report, both as reported and as adjusted, may differ from the corresponding amounts set forth in the report issued annually by the Board under the title Subsidy for United States Certificated Air Carriers, more generally known as the "Subsidy Separation Report." In the latter report, the Federal subsidy is based on actual final mail rates, to the extent that such rates have been established as of the date of preparation of the report, or on estimates of what the final rates will be, in those instances where the rates are still "open."

advances from associated companies. Net amounts due associated companies for notes, loans, and advances that are not settled currently.

advances to nontransport divisions. Investments in, and advances (including amounts due on open accounts) to, non-transport divisions for which separate records and books of account are maintained.

aircraft and traffic servicing expenses. Compensation of ground personnel and other expenses incurred on the ground to protect and control the in-flight movement of aircraft, schedule and prepare aircraft operational crews for flight assignment, handle and service aircraft while in line operation, and service and handle traffic on the ground after issuance of documents establishing the air carrier's responsibility to provide air transportation, and in-flight expenses of handling and protecting all nonpassenger traffic including passenger baggage.

air travel plan liability. The liability for deposits received under air travel plan contracts.

all-cargo carrier. One of a class of air carriers holding temporary certificates of public convenience and necessity, issued by the CAB, authorizing the performance of scheduled air freight, express, and mail transportation over specified routes, as well as the conduct of nonscheduled operations, which may include passengers. Effective July 2, 1962, Flying Tiger was granted a permanent certificate.

amortization of developmental and preoperating expense, etc. Charges to expense for the amortization of capitalized developmental and preoperating costs and other intangible assets applicable to the performance of air transportation and for obsolescence and deterioration of flight equipment expendable parts.

big four. The four largest domestic trunk carriers (American, Eastern, TWA, and United).

capital gains or losses, operating property. Gains or losses on retirements of operating property and equipment, flight equipment expendable parts or miscellaneous materials and supplies when sold or otherwise retired in connection with a general retirement program and not as incidental sales performed as a service to others.

certificated route air carrier One of a class of air carriers holding certificates of public convenience and necessity, issued by the CAB, authorizing the performance of scheduled air transportation over specified routes and a limited amount of nonscheduled operations. This general carrier grouping includes the all-purpose carriers (i.e., the so-called passenger/cargo carriers) and the all-cargo carriers. Certificated route air carriers are often referred to as "scheduled airlines", although they also perform nonscheduled service.

charter revenues. Revenues from nonscheduled air transport services in which the party receiving the transportation obtains exclusive use of an aircraft and the remuneration paid by such party accrues directly to, and the responsibility for providing transportation is that of, the accounting air carrier. Passenger charter revenues are from charter flights carrying only passengers and their personal baggage. Freight charter revenues are from charter flights carrying either (1) freight only or (2) passengers and freight simultaneously.

coach and economy passenger revenues. Revenues from the air transportation of passengers at fares and quality of service below first-class service.

common stock outstanding. The par or stated value of common stock outstanding. In case of no-par stock without stated value, the full consideration received.

construction work in progress. Accumulated direct and indirect costs for constructing and readying property and equipment for installation in operations. May include accumulated costs for uncompleted overhauls.

corporate entity. A carrier's entire system encompassing all its operations, domestic, international, and territorial.

current assets. Cash and other resources to be realized in cash, or sold, or consumed within one year.

current liabilities. Obligations the liquidation of which is expected to require the use, within one year, of current assets or the creation of other current liabilities.

deferred charges. Debit balances in general clearing accounts including prepayments chargeable against operations over a period of years, capitalized expenditures of an organizational or developmental character, and property acquisition adjustments.

deferred credits. Credit balances in general clearing accounts including premiums on long-term debt securities of the air carrier.

deferred Federal income taxes. Credit balance of deferred income tax credits and debits arising from different treatment for tax and book accounting purposes of airworthiness reserve or self-insurance reserve provisions, depreciation allowances under provisions of sections 167 and 168 of the Internal Revenue Code, and preoperating aircraft integration, route extension, or other developmental expenses.

depreciation, flight equipment. Charges to expense for depreciation of airframes, aircraft engines, airframe and engine parts, and other flight equipment.

depreciation, other than flight equipment. Charges to expense for depreciation of property and equipment other than flight equipment (i. e., maintenance equipment, hangars, general ground property).

developmental and preoperating costs. Costs accumulated and deferred in connection with alterations in operational characteristics such as the development and preparation for operation of new routes and the integration of new types of aircraft or services.

direct maintenance expenses. The costs of labor, materials, and outside services consumed directly in periodic maintenance operations and the maintenance, repair, or upkeep of airframes, aircraft engines, other flight equipment, and ground property and equipment.

dividends declared. Includes dividends payable, in cash or in stock, to preferred and common stockholders, declared but not necessarily paid during the accounting period. The current liability is created by the declaration, the amount ordinarily being charged to retained earnings.

domestic operations. In general, operations within territory of the United States.

domestic trunks (domestic trunk operations). Principally operations within and between the U.S. States routes serving primarily the larger communities. International and territorial operations of these carriers are shown under "international and territorial operations"

excess baggage revenues. Revenues from the transportation by air of passenger baggage in excess of the free allowance.

express revenues. Revenues from the transportation by air of express as defined in tariffs filed with the Civil Aeronautics Board.

first-class passenger revenues. Revenues from the air transportation of passengers at standard fares, premium fares, or at reduced fares such as family plan and first-class excursion for whom standard or premium quality services are provided.

flight equipment expendable parts. Flight equipment replacement parts of a type recurrently expended and replaced rather than repaired or reused.

flying operations expenses. Expenses incurred directly in the in-flight operation of aircraft and expenses attaching to the holding of aircraft and aircraft operational personnel in readiness for assignment to an in-flight status.

foreign mail revenues. Revenues from the transportation by air of mail outside the United States by U.S.-flag carriers for a foreign government.

freight revenues. Revenues from the transportation by air of property other than express or passenger baggage.

general and administrative expenses. Expenses of a general corporate nature and expenses incurred in performing activities which contribute to more than a single operating function such as general financial accounting activities, purchasing activities, representation at law, and other general operational administration not directly applicable to a particular function.

helicopter carriers. Domestic certificated route air carriers employing helicopter aircraft for their primary operations.

incidental revenues, net. Revenues less related expenses from services incidental to air transportation, such as sales of service, supplies, and parts; and rental of operating property and equipment.

income taxes for the period. Provisions for Federal, State, local, and foreign taxes, which are based upon net income.

indirect maintenance expenses. Overhead or general expenses of activities involved in the repair and upkeeping of property and equipment, including inspections of equipment in accordance with prescribed operational standards. Includes expenses related to the administration of maintenance stocks and stores, the keeping of maintenance operations records, and the scheduling, controlling, planning, and supervision of maintenance operations.

international and territorial operations. In general, operations outside territory of the United States, including operations between United States points separated by foreign territory. Includes both the combination passenger/cargo carriers and the all-cargo carriers engaged in international and territorial operations.

investments and special funds. Long-term investments in securities of others exclusive of United States Government securities; funds set aside for specific purposes; and other securities, receivables, or funds not available for current operations.

investments in associated companies. Net investments in associated companies together with advances, loans and other amounts not settled currently.

local service carriers. Certificated domestic route air carriers operating routes of lesser density between the smaller traffic centers and between those centers and principal centers.

miscellaneous materials and supplies. Materials and supplies held in stock including motor fuels and lubricating oils, ship materials, expendable tools, stationery and office supplies, passenger service supplies, and restaurant and food service supplies.

net income. Synonymous with "net income after special items".

net income after special items. The net gain of the business, i.e., the net of operating profit or loss, nonoperating income and expenses, income taxes, and special items.

net income before income taxes. Operating profit or loss plus or minus nonoperating income and expenses, net. This is the net income before income taxes and special items.

noncurrent liabilities. Obligations the liquidation of which is not expected to require the use, within one year, of current assets or the creation of current liabilities.

nonoperating income and expenses. Income and loss of commercial ventures not part of the common carrier air transport services of the accounting entity; other revenues and expenses attributable to financing or other activities that are extraneous to and not an integral part of air transportation or its incidental services; and special recurrent items of a nonperiod nature.

nonoperating property and equipment--net. Cost less related reserves for depreciation of property and equipment (1) assigned to other than air transportation and its incidental services but not accounted for within a nontransport division and (2) property and equipment held for future use.

nonpriority mail revenues. Revenues from the carriage of mail bearing postage for surface transportation that goes by air on a space-available basis at rates lower than those fixed for priority (i.e., air) mail.

nontransport revenues. Federal subsidy (where applicable) and incidental revenues, net (revenues less related expenses from services incidental to air transportation).

notes and accounts receivable. Notes receivable and amounts due on open accounts.

operating expenses. Expenses incurred in the performance of air transportation. Includes direct aircraft operating expenses and ground and indirect operating expenses.

operating profit or loss. The profit or loss from performance of air transportation, based on over-all operating revenues and over-all operating expenses. Does not include nonoperating income and expenses or special items and is before income taxes.

operating property and equipment. Land and units of tangible property and equipment that are used in air transportation services and services incidental thereto.

operating revenues. Revenues from the performance of air transportation and related incidental services. Includes (1) transport revenues from the carriage of all classes of traffic in scheduled and nonscheduled services including the performance of aircraft charters and (2) nontransport revenues consisting of Federal subsidy (where applicable) and the net amount of revenues less related expenses from services incidental to air transportation.

other accrued taxes. Accruals for taxes, exclusive of Federal income taxes, constituting a charge borne by the air carrier.

other current assets. Prepayments of rent, insurance, taxes, etc., which if not paid in advance would require the expenditure of working capital within one year, and other current assets not provided for in specific objective accounts.

other deferred charges. Unamortized discount and expense on debt; unamortized capital stock expense; and debits, not provided for elsewhere, the final disposition of which must await receipt of additional information.

other deferred credits. Unamortized premium on debt and credits, not provided for elsewhere, the final disposition of which must await receipt of additional information.

other investments and receivables. Notes and accounts receivable not due within one year and investments in securities issued by others excepting associated companies.

other noncurrent liabilities. Liabilities under company-administrated employee pension plans and for installments received from company personnel under company stock purchase plans, and other noncurrent liabilities.

other nonoperating income and expenses, net. Capital gains or losses on retirement of nonoperating property and equipment and investments in securities of others, interest and dividend income, and other nonoperating items except capital gains or losses on operating property and interest expense.

other paid-in capital. Premium and discount on capital stock, gains or losses arising from the reacquisition and the resale or retirement of capital stock, and other paid-in capital.

other transport revenues. Miscellaneous revenues associated with the air transportation performed by the air carrier, such as reservation cancellation fees, not covered under other revenue classifications.

other trunks. Domestic trunk carriers other than the Big Four. Includes domestic operations of Pan Am.

passenger/cargo air carrier. One of a class of air carriers holding certificates of public convenience and necessity, issued by the CAB, authorizing the performance of scheduled air transportation of passengers and property over specified routes, as distinguished from the certificated all-cargo carriers, which are limited to the carriage of scheduled property only.

passenger service expenses. Costs of activities contributing to the comfort, safety, and convenience of passengers while in flight and when flights are interrupted. Includes salaries and expenses of cabin attendants and passenger food expense.

preferred stock outstanding. The par or stated value of preferred capital stock outstanding. In the case of no-par stock without stated value, the full consideration received.

priority mail revenues. Revenues from the carriage of mail bearing postage for air transportation that goes by air on a priority basis at airmail service rates.

promotion and sales expenses. Costs incurred in promoting the use of air transportation generally and creating a public preference for the services of particular air carriers. Includes the functions of selling, advertising and publicity, space reservations, and developing tariffs and flight schedules for publication.

reporting unit. Denotes the different operations, such as domestic and international and territorial operations that may be conducted by a carrier, for which separate detailed data are reported.

reserves for depreciation. Accruals for depreciation of property and equipment.

reserves for obsolescence and deterioration--expendable parts. Accruals for losses in the value of expendable parts.

reserves for uncollectible accounts. Accruals for estimated losses from uncollectible accounts.

retained earnings adjustments. Charges or credits to unappropriated retained earnings, other than dividends, that reflect transfers to paid-in capital accounts or appropriations.

retained earnings appropriated. Retained earnings segregated for contingencies and other special purposes, including retained earnings segregated in connection with self-insurance plans.

retained earnings unappropriated. The cumulative net income or loss from operations of the air carrier less dividends declared on capital stock and amounts appropriated for special purposes.

scheduled service. Transport service operated over an air carrier's certificated routes, based on published flight schedules, including extra sections and related nonrevenue flights.

self-insurance reserves. Accruals through charges against income for uninsured losses.

special funds. Special funds not of a current nature and restricted as to general availability. Includes items such as sinking funds, pension funds under the control of the air carrier, equipment purchase funds, and funds segregated as part of a plan for self-insurance.

special income credits and debits, net (special items). Extraordinary credits and debits that are of sufficient magnitude to materially distort the total operating revenues or total operating expenses if included therein.

special income tax credits and debits, net. Income taxes applicable to special income credits or debits and other extraordinary income tax items not allocable to income of the current accounting year.

stockholder equity. The aggregate interests of holders of the air carrier's stock in assets owned by the air carrier.

subsidy. Revenues from the United States Government as direct grants for providing air transportation facilities, pursuant to section 406(b) of the Federal Aviation Act. Does not include revenues from the carriage of mail at service rates or the performance of other contractual services for the Government.

total general services and administration expenses. Passenger service, aircraft and traffic servicing, promotion and sales, and general and administrative expenses.

transport revenues (over-all). Revenues from the transportation by air of all classes of traffic in scheduled and nonscheduled services, including the performance of charters.

treasury stock. The cost of capital stock issued by the air carrier reacquired by it and not retired or cancelled.

unearned transportation revenue. The value of transportation sold, but not used or refunded, for travel over the air carrier's own lines.

United States Government securities. Investment in transferable obligations of the United States Government.
