MEMORANDUM

TO: The Civil Aeronautics Board

FROM: Director, Bureau of Safety Regulation

SUBJECT: Advisory Report re Aircraft Collision Accident -
American Airlines Convair and Navy Beechcraft,
near Port Columbus Airport, Columbus, Ohio, on
June 27, 1954 (Per Section 9-.03-B of Operations
Memorandum No. 57 (Rev.))

On August 23, 1954, Mr. Robert G. Carnahan submitted a report concerning his participation as Bureau of Safety Regulation's official observer in the investigation of the subject accident in which he stated that the pertinent Civil Air Regulations appeared to be adequate and that no regulatory changes were required

No subsequent information has been presented which would lead to a different conclusion.
